

Join us in Kenya!

Curamericas leadership will provide strategic support to our programs. Will you join us?

Why volunteer with us?

Tentative Dates:

June 17 - June 28, 2023

- **Budget: approximately \$2500 plus airfare \$1500-\$2000**

- **Optional 3-4 day Safari in Masai Masa National Reserve**

- **On-the-ground support from Curamericas**

- **Activities:**

- Immerse yourself in another culture.
- Participate in meaningful work for a community in need and have a positive impact on the world.
- Understand health inequities and the effect it has on vulnerable populations such as women/mothers and children.
- Examine evidence-based practice and data collection techniques used in community healthcare settings worldwide.
- Gain a deeper understanding of the importance of community health and the positive impact it has on a community.
- Learn cultural competence directly from nurses in a different country.
- Experience communicating with colleagues through language barriers.
- Contrast the structure of a healthcare system from a different culture.
- Explore the beauty and wilderness of Kenya through optional excursions, including visiting the famous Masai Mara Reserve.

What do I do next?

Contact us to set up a phone call to answer your question and discuss next steps. There is not much time left for this once-in-a-lifetime trip to Kenya.
